Congratulations Hanna Jerezano and Marti Winn

The Purebred stallion Hanna Jerezano (Farino x Jovencita III) turned a few heads at the All Breeds Inhand Show at Riccarton, Christchurch. Bred by Hanna Stud and now owned by Marti and Murray Winn of Winnfarms Spanish Horse Stud, Jerezano a 16hh grey young stallion took out several top placings in a field of over 100 competitors. Shown by Marti's trainer Benny Te Haar, Jerezano won the Stallion over 3 year class in the Hack ring (over 157.5cm) and also came first in the Most Suitable for Jumping class. For the latter class, the horses had to go over a jump with their handler and it was Jerezano's first attempt,

which he obviously took on with much style!

To top things off, he went on to take out Champion Hack and was also Runner up for the overall Supreme Champion of Champions.

Congratulations Jerezano, Marti and Benny, hopefully more successes will follow!

Winnfarms Spanish Stud's Jerezano and Benny Te Haar make a stalling act in the Hack ring at the All Breeds Inhand Show.

New PRE Mare arrived at Hanna Stud from Alma Vista Stud in Australia

The lovely PRE mare Alondra XXIX arrived at the stud from Debbie Galletly's, Alma Vista Stud in Queensland. Alondra XXIX is by the now deceased stallion Dacio III out of the Hortelano VII daughter Manuka Mistica. She scored over 80 points at the 2001 revision round. We are extremely proud the have been given the chance to secure this mare for our breeding programme. Alondra stands at 160cm tall and is a big, bold forward moving mare. She has already thrown foals of very good height. She is the only immediate daughter of Dacio III in NZ.
