2005 National Champion Awards for Hanna Condesa and Alma Director

The 3 year old filly, Hanna Condesa won the NSHA National Champion Purebred Mare title at this year's show held at Karaka, Auckland.

Our young stallion, the imported Alma Director won the APANZ National Champion Purebred Stallion and Overall Supreme

Alma Director

Hanna Condesa

Purebred Champion/Royal Easter Show Champion Purebred title. With this win he is successfully continuing from last year's 2 Championship titles—both at the APANZ and NSHA annual Championship shows. At the 2004 NSHA Championship Show he was also awarded Best Purebred

Movement and Most Suitable for Jumping and Dressage.

First PRE Foal by Alma Director born at Hanna Stud

In October Moonshine Lace gave birth to a beautiful, strong, healthy—chestnut—colt foal, the

first by Alma Director and eagerly awaited by all. We named him Hanna Salinero. After a few weeks, it appears that he is turning grey, but obviously will carry the chestnut colour gene. This colt has surpassed our expectations, displaying all the beautiful characteristics of his sire's temperament, but all together being a much larger horse. We expect him to mature over 15.3hh. He is a very good mover, with strong and powerful forward strides and a very strong back. We are confident that he will mature into a first class stud prospect and riding horse.
